Discounts/refunds--There is a 10% discount for more than one child enrolled in our 2 or 3 year old classes. We are closed for two weeks during Christmas Vacation and one week for Spring Break.

Tuition Payments--Tuition for Peace Lutheran Preschool Morning only classes is paid on a monthly basis, in advance, on the first day of each month. 2011/2012 School Year

Dear Parents/Guardians,

During the first few years of life many important skills and abilities are established, skills that are key to success in school and later in life. We believe that it is important to monitor the growth and development of the children in our care, so that we may better meet their needs in all areas of their development.

Our teachers have completed training in observation and screening of young children and will implement this process of periodic developmental screening to make sure that all of our children are getting their needs met. With your permission, we will occasionally observe your child's development and will record the results using a screening checklist developed specifically for this reason. We plan our screenings prior to school starting so that we can more fully meet the needs of our students beginning the first day of school. We will then take time to go over the results together and discuss ways that we, as a team, can most effectively help your child feel good about his or her accomplishments and progress. We can also provide you with age-appropriate activities to do with your child at home.

If the results of our screenings point out areas of concern, we can advise you on how to schedule a more detailed assessment for your child. Remember that it is the policy of Peace Lutheran Preschool to keep all information about your child and family in confidence.

Please indicate below, in the appropriate box, if we have your permission to periodically monitor your child's growth and development.

Sincerely,

Beverly Sandberg,
Director, Peace Lutheran Preschool

I **do** grant permission to screen my child throughout the school year to monitor his/her growth and development.

I **do not** grant permission for my child to be screened throughout the school year to monitor his/her growth and development.

PRE-K CLASS 5TH DAY OPTION (FRIDAYS & LAST WEEK OF SCHOOL)

VPK Funding will cover only 540 hours for the school year program. Our chosen VPK schedule is Monday - Thursday, 8:00AM-12:00PM, with the first day of school the same as our other classes and the last day one week prior to the end of the other classes. The days off will be as stated on the School Year Calendar that parents receive in the Parent Packet at Parent Orientation. The last day scheduled for the state-paid VPK Program is usually the week before all other classes end. Our start date will be determined after the Brevard County Schools have set their calendar for the 2011/2012 school year.

Our previous Pre-K program, prior to VPK, was a five-day program, which met 4 hours per day, Monday - Friday during the school year. With this schedule the students attended more days for the year, than are covered by the VPK funding. In order to meet our goal for high quality early childhood education for your child, we will continue to offer the additional days that we offer for the younger students in our program. This is optional for all Pre-K students. It will include Fridays of the weeks that school is in session with the exception of those noted on the School Year Calendar as days off, and the last week that the younger classes attend. The tuition for this option is \$75.00 per month, per student for August - May, payable at the beginning of the month as with all other tuitions. If there is not sufficient enrollment for this option, we will be unable to offer it. We must have at least 6 children to insure that staff expenses are covered. As with all other tuitions, there are no discounts for the days your child does not attend, as staffing and all other expenses are still incurred.

Please fill out the appropriate statement below, add your child's name, your signature and the date to indicate your choice. Thank you.
